RENT MASON & LEAFCUTTER BEES

YOU'VE BEEN GIVEN A GIFT OF MASON BEES

YOUR MASON BEE STARTER KIT INCLUDES:

- ✓ Mason bee shelter house
- ✓ Clean nesting block
- ✓ 50+ sleeping mason bees in cocoons
- ✓ Clay for building their nests
- ✓ Pollinator-friendly wildflower seed packet
- ✓ Easy-to-follow instructions
- ✓ Return shipping label to get your bees cleaned in the fall.

HOW IT WORKS:

1 Sign up for our newsletters to be notified of shipping and bee care all season long.

2 Mason bees emerge in early spring when temps reach 50+ degrees. We will mail your kit in early spring. If you'd like it during a specific week, please email us your request at ship@rentmasonbees.com.

3 We don't send you flying bees. Mason bees hibernate in cocoons. Inside the white emergence tube are your cocoons.
